

YOUR LACTATION NURSE INC

BREASTFEEDING EDUCATION AND CONSULTING

DISCLAIMERS FOR SECURE VIDEO MESSAGING

Your Lactation Nurse Inc. uses a HIPAA compliant platform; however, in the event that Your Lactation Nurse Inc. or you, the client, cannot access the secure platform, we may use the non–HIPAA compliant platform of your choice, as long as it is private. The Department of Health and Human Services is temporarily allowing this exception so that technology is not a barrier to care.

HIPAA compliant platforms used by Your Lactation Nurse Inc. include: Charm EHR, Google Voice for messaging, and Google Meet for video.
